

Regarding Covid-19

We are closely monitoring the COVID-19/Coronavirus situation- Our goal is to ensure the safety of our patients and staff and meet our patients on-going healthcare needs- We are taking the following steps to prevent exposure to the virus:

1. We have an established area for screening and evaluation for patients with respiratory symptoms-
2. If you have a cough, fever or difficulty breathing please call our office prior to coming to the office- We will assist to determine the appropriate treatment option-
3. Wellness and Routine follow-up visits remain as scheduled- Our office will call you with any changes to these appointments

We will update our patients as we receive Covid -19 information from the CDC-
